STANDARD OFFER TARIFF

OPTIONAL PREPAID RESIDENTIAL SERVICE SCHEDULE PRS

Availability

In the Cooperative's Certificated Area to standard offer residential customers otherwise served under the Cooperative's Rate Schedule R where the Cooperative's facilities are of adequate capacity and the required phase and suitable voltage and necessary equipment are all in existence on and adjacent to the premises served.

Application and Type of Service

Applicable to qualifying services receiving alternating current, single phase, 60 Hertz, at available secondary voltages where service is provided through a single meter where the Customer elects this optional prepaid service. This rate is not available: (i) to critical (medical necessity), time of use or net metering customers, (ii) for three phase service or (iii) for customers on the Cooperative's Budget Payment Plan. This rate is not suitable for customers that are unable or unwilling to receive, recognize and respond to low balance warnings or to reach and push the reconnect button located at the meter whenever service is disconnected. This rate is not applicable to standby, supplementary or resale service.

MOHAVE ELECTRIC COOPERATIVE, INCORPORATED
SERVICE RULES AND REGULATIONS

- g. A Customer utilizing the provisions of (d.) or (e.) must enter into an agreeable deferred payment agreement with the Cooperative within ten (10) days after the scheduled termination date.
- h. A Customer of record utilizing the provision of (e.) or (f.) who has not previously notified the Cooperative of a life threatening medical necessity must do such within three (3) days after the Cooperative's scheduled termination of service date. The necessity must apply to the Customer of record or a dependent (as defined by the Internal Revenue Service) living in the residence that could not by medical necessity live on their own independently.
- i. Disputed bills where the Customer has complied with the ACC's rules on customer bill disputes.

SUBSECTION 111-B: TERMINATION OF SERVICE WITHOUT NOTICE

- 1. Electric service may be discontinued without advance written notice under the following conditions:
 - a. The existence of an obvious and imminent hazard to the safety or health of the Customer or the general population or the Cooperative's personnel or facilities.
 - b. The Cooperative had evidence of meter tampering, theft of service, or damage and loss to the Cooperative's property pertaining to the service to the Customer.
 - c. Failure of a Customer to comply with the curtailment procedures.
 - d. An emergency requiring immediate discontinuance of service.
 - e. Unauthorized resale or use of electric services.
- 2. The Cooperative shall not be required to restore service until the conditions which resulted in the termination have been corrected to the satisfaction of the Cooperative.
- 3. Each utility shall maintain a record of all terminations of service without notice. This record shall be maintained for a minimum of one year and shall be available for inspection by the Commission

SUBSECTION 111-C: TERMINATION OF SERVICE WITH NOTICE

- 1. Upon notice the Cooperative may without making a personal visit to the site, disconnect service to any Customer for any reason stated below:
 - a. Customer violation of any of the Cooperative's tariffs.
 - b. Failure of the Customer to pay a delinquent bill for electric service.
 - c. Failure to meet or maintain the Cooperative's deposit requirements.
 - d. Use of prohibited equipment.
